Learning Outcomes

By taking this course, you will:

- Get the necessary knowledge, advice and insights to facilitate your use of the FIDIC agreements.
- Client/Consultant Model Services Agreement (the White Book, 5th Edition 2017),
- Sub-consultancy Agreement (2nd Edition, 2017)
- Model Joint Venture Agreement (2nd Edition 2017)
- Model Representative Agreement (1st edition 2013)
- Experience active participation in 'hands-on' workshops and discussion sessions

This practical course shows how to manage professional-service agreements using FIDIC's standard agreements; it also includes case studies. It supports the cross-border standardisation of consulting-engineering business practices and recognises those who apply them. The course focuses on key contract clauses and the practical application of the FIDIC Suite of Service Agreements (White Book, Sub-Consultancy Agreement, Model Joint Venture Agreement and Model Representative Agreement), illustrated through real-life case discussions and the lecturer's commentary.
