FIDIC

OICE Trainings on FIDIC Contracts – Focus on Silver, Yellow and Red Book

This course is intended for FIDIC contract users mainly involved in international projects, wishing to update their knowledge about FIDIC agreements, including Consulting Engineers, Contractors, Employers, funding agencies and MDBs, insurers, professionals from technical, legal, consulting, financial or other related fields.

Learning Outcomes

By the end of the course, participants will be able to interpret key FIDIC provisions and apply them with confidence. They will also gain hands-on experience in:

- **Drafting effective letters and notices**, with access to practical templates.
- Preparing clear and comprehensive **project reports** and records.
- **Developing and monitoring the Programme** in line with FIDIC Clause 8.3.
- Addressing common **project challenges** while aligning with FIDIC contractual procedures.
