

## Information Day on F4E Project Management Framework Contract

Fusion for Energy (F4E), the organization in charge of Europe's contribution to ITER, is organizing an information meeting to present **PROJECT MANAGEMENT FRAMEWORK CONTRACT**. In particular, this information meeting intends to provide interested companies with basic administrative and technical information related to the forthcoming call for tender.

Interested companies are welcome to participate

The Information day will take place on **12<sup>th</sup> July 2012**, at F4E's premises in Barcelona, Spain.
